

How to log into Red Hat Content Center

[From the Red Hat Content Center log-in page](#)

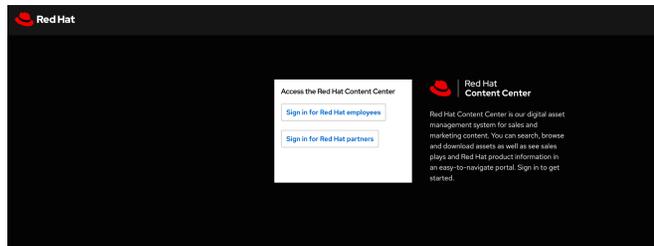

[From the Business Partner Portal](#)

You will not be able to log into the Red Hat Content Center without a Business Partner or Technology Partner login. If you do not have a Business Partner or Technology Partner account, and are an existing partner of Red Hat, [review the support page for instructions](#).

From the Red Hat Content Center log-in page

(or to access as a Technology Partner)

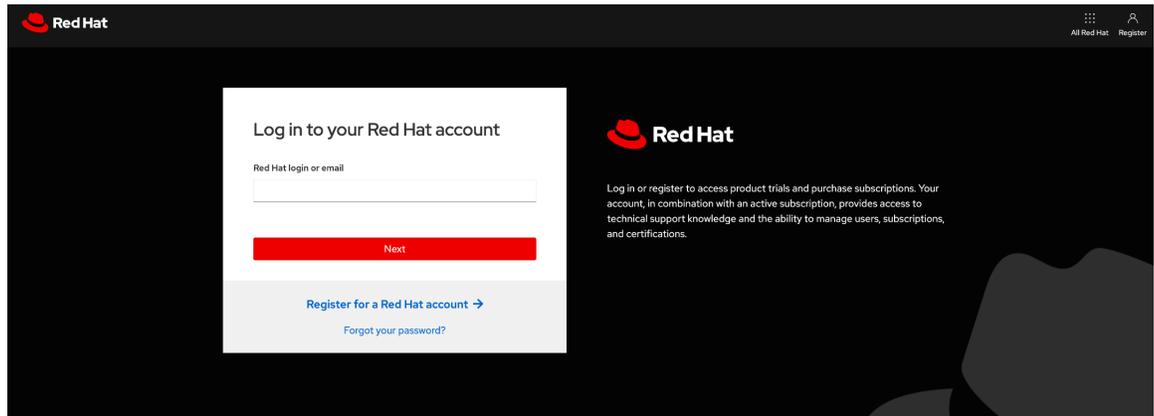

1. After you have navigated to content.redhat.com either by typing in the URL or from a link in a newsletter or social media post, or by navigating there from some other Red Hat website like connect.redhat.com, select “Sign in for Red Hat partners”

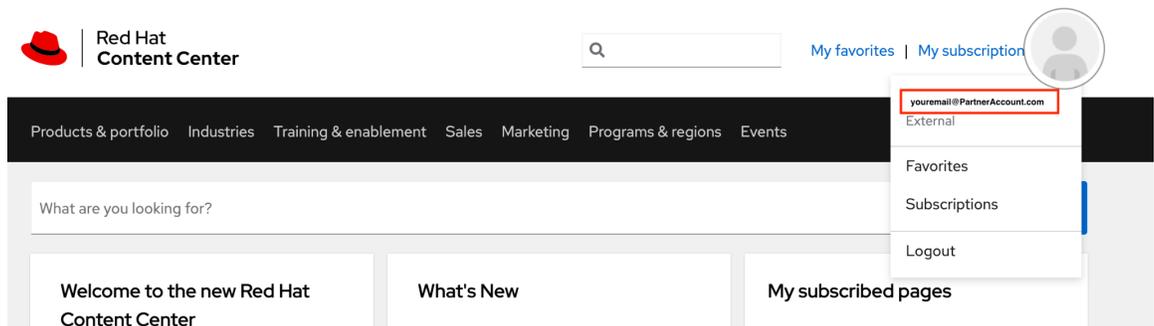

2. Use your Red Hat account information (Business Partner or Technology Partner) to log in. If you have not registered for a Business Partner or Technology Partner account [please review the support page for instructions](#). You will not be able to log into the Red Hat Content Center without a Business Partner or Technology

Partner login.

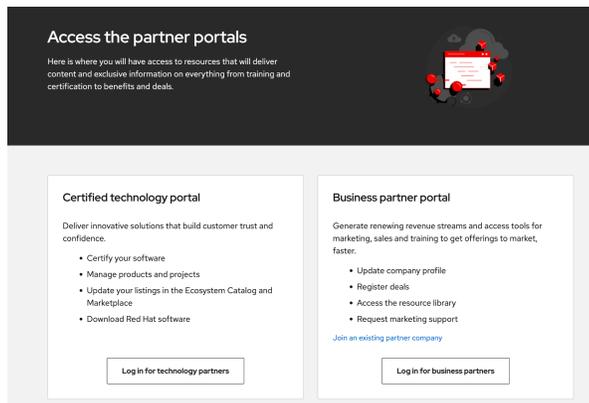

3. After logging in you will be redirected to the URL you have clicked on or the homepage.
4. For help after logging in to Red Hat Content Center please reach out to rhccsupport@redhat.com with a screenshot of the email address that appears under the profile icon in the top right corner of RHCC.

From the Business Partner Portal

If you have not registered for a Business Partner account please [review the support page for instructions](#).

1. Navigate to connect.redhat.com and log in (top right) with your Business Partner login.

- a. If you have not registered for a Business Partner account please review the [support page for instructions](#). You will not be able to log into the Red Hat Content Center without a Business Partner or Technology Partner login.
 - b. If you have issues logging in or with your account please contact your [local help desk](#).
2. After logging in you will be directed to the landing page where there is a button for Red Hat Content Center on the top right of the icons.

Red Hat Content Center

Library of marketing,
sales & technical content.

[Find resources](#)

3. Select the button, this ensures you are logging in with your Business Partner account that will have access to content (you will be taken to content.redhat.com).
4. For help after logging in to Red Hat Content Center please reach out to rhccsupport@redhat.com with a screenshot of the email address that appears

under the profile icon in the top right corner of RHCC.

A screenshot of the Red Hat Content Center (RHCC) user interface. At the top left is the Red Hat logo and the text "Red Hat Content Center". To the right is a search bar and links for "My favorites" and "My subscription". A profile icon in the top right corner has a dropdown menu open, showing the email address "youremail@PartnerAccount.com" (highlighted with a red box), "External", "Favorites", "Subscriptions", and "Logout". Below the navigation bar is a search bar with the placeholder text "What are you looking for?". The main content area features three columns: "Welcome to the new Red Hat Content Center", "What's New", and "My subscribed pages".
